This Week's Sermon

Building on Christ

Based on 1 Corinthians 3:10-11, 16-23

Blanket Sunday

The CWF is again supporting Church World Service in its endeavor to supply blankets to disaster areas of the world. There will be collection envelopes in the backs of the pews this Sunday, February 23rd. Please take an envelope for your contribution and mark your checks payable to the CWF of HCC. Mark your envelopes or checks for "Blankets." You may donate blankets in honor or in memory of anyone you choose. The blankets are \$5.00 each and are an inexpensive way to provide an item of comfort to those who are experiencing difficult times. Thank you for your support.

Thermostat Control

In this cold weather season we have been experiencing extremely high fuel bills. It has been decided that we will keep the McGrady Hall and Education Building thermostats set at 60 degrees when they are not in use.

Becky Horton will be in charge of regulating the sanctuary thermostat as needed. If you are using McGrady Hall or the Ed Building please make sure the thermostats are turned down when you leave. Also, if your group is small please meet in the parlor rather than McGrady Hall as the Ed Building is easier to heat.

Finally, when raising the thermostat in McGrady Hall please change it by only three degrees at a time, as this prevents the auxiliary heat from coming on. We appreciate everyone working together to keep costs down as this long winter continues.

Happy Birthday

Marion Ayers (Feb 18)
