**Poinsettias**

It's time once again to order the poinsettias that will decorate our sanctuary for the annual Hanging of the Green service and throughout the Advent and Christmas season. This year we will be ordering the plants from the Food Lion in Hillsville; the cost is \$5.25/plant. We need all orders in by Sunday, Nov. 22<sup>nd</sup>; plants ordered after this date will cost \$7.00 apiece because we will no longer be able to get a discount from the store. Order forms will be available in the worship bulletin each week; you may also place an order by calling the church office or Justin Moore. Please make plans now to remember and honor loved ones and bring the beauty of the season into our sanctuary.

## Angel Tree

The Christian Men's Fellowship will again this holiday season be working with the New River Valley Prison Outreach to help the children of Carroll County whose parent or parents are incarcerated. We would like to help 23 kids have a brighter Christmas. If you can help with this outreach program, a sign-up sheet will be in the narthex of the sanctuary. You will receive information on clothing sizes and desired items shortly. Help make this Christmas brighter for kids from Carroll County.

## Bazaar & Cheese Ball Update

For those of you who ventured out Saturday, our fellowship hall was turned into a shopper's paradise. The ladies served breakfast and lunch to hungry shoppers; vendors welcomed shoppers and browsers alike with many choices of wares; and the CWF ladies sold all their cakes and lots and lots of cheese balls. Congratulations to Bonnie Hanks who won this year's Guess Cake and was thrilled. Thanks to everyone who helped in one way or another; it takes a lot of helping hands to pull this off. We have some special men we would like to thank. First of all Jim Kilbourne and Paul Smith drove Betty and Rita to Winston to buy the cheese. Paul helped at the cannery and also chopped all the pecans. A special thanks goes to Ron Schwarz who ordered, designed, and printed our labels for the cheese ball packaging. And Bob Parvin sold cakes and cabbage at the CWF bake sale table Saturday. These men hold a special place in our hearts for their help and support.

It's over for another year. It's a lot of work, but this project funds most of the missions supported by the ladies throughout the year. Thank you church family—as of this printing the ladies have netted \$1107.00 from the bazaar itself and \$833.00 from the cheese balls. There are additional cheese balls in the fridge if you would like to buy or sell. We would like to get this wrapped up in the next two weeks, so please help us sell the remaining amount. They make wonderful gifts and are great for holiday parties and tailgates. They can also be frozen, as this product is made from 100% real cheese and not processed cheese. If you take some to sell, please leave your name and how many you take on the sheet on the refrigerator door.
